GOOD LUCK TO TODAY'S COMPETITORS IN THE WINTER INDOOR TRIATHLON

Cheer on triathletes as they compete in the Delaware Charity Challenge Winter Indoor Triathlon. In this event, competitors run, row, and bike for a fixed time (15 minutes each) or fixed distance. Those who win their divisions will win money for the charity of their choice, listed below.

This fun, unique event is the first of the 2019 Delaware Charity Challenge competitions. Leading up to today, many teams raised money in the Winter Race to Raise. Our fundraising contest allows teams & individuals to raise money and awareness for causes near and dear to their hearts. Since Spring 2015, the Delaware Charity Challenge has helped raise more than \$160,000 for different nonprofit organizations (including more than \$53,000 from the four indoor triathlon competitions as of the date of this printing). We invite you to join in our next challenge, which will be on Saturday, May 4, 2019 at Lums Pond State Park.

The following nonprofits have been selected by today's competitors:

American Red Cross Delmarva
atTAcK Addiction Foundation

Delaware Breast Cancer Coalition
Delaware Center for Justice
Delaware Humane Association
Delaware Sled Snipers
